## Innovators

We passionately pursue ways to improve outcomes. We like to challenge industry norms and think strategically. We embrace technology and we don't fear change. We will exceed your expectations.

## Committed to Excellence

We are accountable and committed to delivering an excellent client service. Sometimes this means working harder, sometimes it means looking at a problem from a different perspective. We are constantly focused on practical solutions and driven by results.

## Pride

Our team applies outstanding knowledge, rigour and pride to their work, day in day out. We work hard to recruit the best people. We look for those with the right skills and expertise, but also the right attitude and values.

## Stronger Together

We believe in an honest and open approach, even if it means the occasional difficult conversation. We understand how important our client's project is and we will be there with you every step of the way.

# Life at Barker

Our people are the heart of our business. We provide careers to suit your talents and an environment where you can thrive.

Life at Barker extends beyond our day to day duties.

//

I passed my APC in the summer of 2020 with the help from a number of colleagues at Barker, their dedication and commitment to those on the APC route helped immensely. The knowledge of all the team helped prepare me for my final assessment, both in terms of presentation and documentation.

A number of mock interviews provided excellent practice for the final interview and provided feedback on revision topics.

# Our Commitment to Social Value

We believe strongly in providing social value outcomes to the wider community on a pro bono basis and through the application of our professional skills.

## Education

Since 2010 Barker has supported many schools and universities through our participation in providing advice at careers fairs, sponsorship of fundraising events and prizes in recognition of student achievements.

## Sustainable Development Goals

We aim to achieve a more sustainable future and address global challenges related to items such as climate, inequality and environmental degradation. Aligned with the United Nations 2030 Sustainable Development Agenda, we have made significant inroads in the last three years to reduce our waste generation through prevention, reduction, recycling and reuse.

## Supporting the Local Community

For many years now Barker has supported local charities and organisations. As a business this is an integral part of our ethos. Barker has selected Kids Inspire as its chosen charity.

The importance of children's mental health cannot be ignored. We are very proud to support and be associated with this worthy initiative through fundraising, volunteering and providing pro bono support to their Estates related matters.

# Staff Socials

As Barker continues to grow, we place a big emphasis on team building and ensuring our employees across all offices get a chance to spend time together.

## Social Events

Every year we host company-wide summer conferences and Christmas socials. These events gives the whole company a chance to get together and enjoy a fantastic day of strategic thinking, team building and entertainment! They are a chance to connect with new employees from other offices and reconnect with those we don't get see on a daily basis.

In between these events we hold company-wide 'Town hall' webinars and in-person biannual Partner Roadshows at each office to report on business news, performance and outline our plans for the future. These events allow the opportunity for us to discuss the future direction of our business and address any questions our employees may have.

## Team Building Events

We encourage departments to participate in their own team building events.

Previous events organised by our employees include clay pigeon shooting, cricket, electric shuffle and mini golf.
